## CRUSHED

### Between Separator and Engine.

## Fatal Accident to a Thresher.

## An Aged Woman Dies at Comet.

## Anxiously Awaiting the Advent of Street Cars.

(Special Correspondence.)

Comet, August 1.—The weather has been very warm lately, the thermometer registering 96 and 98 in the shade, but the recent rains have made it more pleasant.

The wheat harvesting and haying are over for this year, and nearly all the oats is cut.

The whistle of the thresher is again heard.

The funeral of Mr. Wm. Ketterling was held Friday. He was instantly killed while threshing on the L. P. Bachtel farm, near McDonaldsville, being crushed while backing his engine to the separator. It backed too far and he was caught between the engine and separator.

Mrs. Greenhoe died Thursday, and was buried Saturday in the Greenburg cemetery. Funeral services were held in the Church of God, at this place. Mrs. Greenhoe was one of the oldest residents of this place. Her maiden name was Catharine Stiffler, and she married Mr. Jacob Greenhoe, when 20 years old. Her husband died ten years ago and the greater part of the time since then she lived with her children, being with her daughter, Mrs. Sarah Stromeyer at the time of her death. She was aged 87 years, and was the mother of nine children, six of whom are living. She was the grandmother of 16 children, and great-grandmother of 17. The funeral service was preached by Rev. Rothrock, from the text, "The eternal God is our refuge, and underneath are the everlasting arms." Pall bearers were Mr. Simon Whitmyer, Franklin Yost, Thomas Workinger, Thomas Brancher, William Daily and Mr. Christman.

Mrs. Lucy Trisch is on the sick list. Miss Maude Trisch was visiting in Akron last week.

Mr. Abraham Steese of Barberton has been visiting at this place with his son Alexander and other friends.

The people around here are glad to know that we are to have a street car line, and they look for a great boom when it comes.

The Green township Sunday School Union will hold its annual picnic at Highland Park camp ground, Aug. 12.

Mr. Peter Tritt has sold his property in Akron and has moved on to Mr. William Workinger's home, east of this place.

Wm. Finn, of Lima, O., obtained excellent results from the use of Foley's Kidney Cure. "It relieved my backache and severe pain over the hips. It toned my system and gave me new vim and energy. It is an honest and reliable remedy, a sure cure for all kidney diseases."

**DOG-CATCHER.**

"I want my dog released at once."

And Mr. Wm. J. Coney didn't make the demand as though he were in fun, either. He was talking to Chief of Police Durkin, and continued, "He sent two boys onto the back porch of my store in S. Howard st., to catch the dog and take it to him. I won't stand for that kind of work."

"I'm afraid we'll have to discharge Steeley if he does work that way," replied the Chief. "At any rate, we'll investigate the case thoroughly."

## GONE.

### Company F's Treasurer Is Missing.

**Had \$200 Which Had Been Raised For a Monument.**

Members of Company F are worried over the extraordinary absence of James Lambert, treasurer of the fund the boys had raised for the purpose of erecting a monument to the members of the Company who died while in the national service during the Spanish-American war.

Lambert left home three weeks ago telling his wife he was going to Barberton. He did not return and she afterward discovered that money which she had been saving, was gone. Mrs. Lambert and little daughter are now with relatives at Canal Fulton and their home at 604 Vine st., is unoccupied.

Lambert was considered trustworthy by the Werner Co. by which he was employed, but Capt. Herman Werner said Thursday that he could not account for the young man's disappearance.

Company F had raised \$200 of \$500 it was expected to secure for its purpose.

Mr. Daniel Bantz, Ottaville, Pa., says: "Have had asthma and a very bad cough for years, but could get no relief from the doctors and medicines I tried, until I took Foley's Honey and Tar. It gave immediate relief, and done me more good than all the other remedies combined."

## WILLING

### Is Col. Roosevelt

**To Accept the Presidential Nomination.**

**Tells About Mazy Mike in the Big Dog Saloon.**

Chicago, Aug. 1.—Vice President Roosevelt was in Chicago yesterday en route to Colorado, and incidentally conferred with some prominent Republicans of the Central Western States. Mr. Roosevelt said:

"I am going to Colorado Springs to deliver an address at the exercises at the quarter centennial anniversary of the admission of the State into the Union. I expect to meet many of the rough riders there, and I am sure to have a good time."

Coming down to politics, Mr. Roosevelt was asked if he would be a Presidential candidate in 1904.

"Would I?" he inquired. "Certainly, if the people want me. It's the highest aim a young man can have. I'm young, am I not? But there are or should be some sixty million people looking for the same office, and you see the chances are against me worse than they are in the Big Dog saloon in Yellow Gulch when Mazy Mike is holding the box in a fast game."

James White, Bryantsville, Ind., says DeWitt's Witch Hazel Salve healed running sores on both legs. He had suffered six years. Doctors failed to help him. Get DeWitt's. Accept no imitations.

**CARNIVAL**

**Of a Lovely Tribe of Gypsies.**

**Miss Alice Wall Was Chosen as Their Queen.**

Miss Alice Wall, 425 Park st., is queen of the gypsies in Akron. She had a large majority in the election of a queen of the band at the gypsy carnival given by the Daughters of the King of St. Paul's Episcopal church on the spacious lawn of Mr. Wm. Buchtel's home on East Market st. Wednesday evening. A dozen other candidates were voted for.

The carnival was a delightful success in all ways. The attendance was large and the Gypsy decorations and fantastic lights added to the general

Impression that the best part of the midway of the Buffalo exposition had pitched tents in Akron.

Misses Nettie Caswall and Julia White had charge of the booth in which fortunes were told for a consideration, and were kept busy. The waitresses who served refreshments also had all they could do. A Punch and Judy show conducted by Mr. Albert Ovenden, was enthusiastically applauded.

## Falls Being Considered as a Residence Section For Akron.

"Do you know," observed a Cuyahoga Falls citizen Wednesday, "that our town is rapidly becoming a residence section for Akron. For every one Barberton resident who works in Akron, we have ten. It is a fact that many of the people who leave here every morning either have offices or

else are employed in offices. Few need to leave here to work in the factories, but office positions cannot be supplied to very many. Of course, I don't mean that Akron people are building new homes and moving here, but that Falls residents have begun to depend largely upon Akron for employment."

## In Kentucky, Too! No Money Nor Whiskey.
